Breakfast Club News

Gretna School offers a breakfast program every morning before school starts, from 8:30 - 8:50. It is open to any students who wish to come by to get something to eat before starting their school day.

This year we were fortunate to receive two grants to support our school's breakfast program - The Child Nutrition Council of Manitoba Grant and the President's Choice Children's Charity School Nutrition Grant. We expect that these grants will cover the majority of our food costs for this year.
